GREEN ACRES

FINE WINES & SPIRITS

CORPORATE GIFTING

Thank every client *properly.*

Wine, Champagne and whisky for teams and clients, from ten gifts upward, in four budget bands.

WHAT WE DO FOR COMPANIES

Everything a gift list *needs.*

One brief, one quote, one reference, whether the list is ten names or several hundred.
Matching packaging in the deep green Green Acres box, with bottles from our catalogue.

Orders of ten or more

From ten gifts to a long list. Tell us the quantity and we quote for it.

Personalised cards

A card for each recipient, or one company message across the lot, written by hand and packed with the gift.

Company branding

Tell us what you have in mind, a logo on the card or a sleeve on the box, and we confirm what is possible before anything is charged.

Recipient lists

Send your list of recipients as a CSV with your request, or later, and we work from it.

Every budget level

Four bands, from £75 to £500 and above, so a team gift and a VIP gift can sit in the same order.

Bespoke VIP gifting

For the few people who matter most, we build the gift with you from the bottle up.

BUDGET BANDS

Four budgets, *one standard.*

Pick the band that matches the budget per gift. A band is the budget you have in mind, nothing more: we propose gifts to suit it and confirm the finished price with you before anything is charged.

HOW IT WORKS

From brief *to doorstep.*

1 Tell us the brief

How many gifts, a budget per gift and who they are for. A rough idea is enough to start.

2 We propose and quote

We suggest bottles and presentation to suit your recipients, with matching packaging, and quote for the quantity you need.

3 Add your message

Choose a personal card for each recipient, or one company message across the lot. Tell us what branding you have in mind and we confirm what is possible.

4 Your recipient list

Send us a list of recipients now or later. Each recipient must be 18 or over.

BRANDING AND PERSONALISED CARDS

Every gift comes with a card. Write one company message for the whole list, or give us a message for each recipient, and we write it by hand.

If you would like your company's name or logo involved, tell us in the branding notes of your request. We confirm what is possible, and what it adds, before anything is charged.

RECIPIENT LISTS

Attach a CSV of names to your request, or send it later, and we work from it.

Every recipient must be 18 or over.

CHRISTMAS 2026

Plan early. *Order early.*

Christmas is our busiest time of year. Tell us when you need the gifts in the quote request and we confirm it with you.

REQUEST A QUOTE

Tell us *the brief.*

Fill in the corporate quote request at **greenacrewines.com/corporate**: your quantity, a budget band, the date, your message and, if you like, a CSV of recipients. You receive a reference and an email copy as soon as you send. We confirm the finished price with you before anything is charged.
